## Poll worker training set

A poll worker training session will be held Saturday, May 30, starting at 9 a.m. at the Hancock County Courthouse Election Commission offices.

Dr. A.K. Martinolich, chairman of the Hancock County Republican Executive Committee, said this is the final training session for those who will be poll workers in the June 2 election. He is the 11th District Congressional Republican nominee.

A list of the poll workers and precincts are published on page 3A of this issue of The Echo.

For further information on the training session, contact Dr. Martinolich at 467-4375, or 467-5753.

## Bridge closes for repairs

Department of Transportation officials will close the Hwy. 90 Bay St. Louis bridge from midnight until 5 a.m. beginning Monday, June 8 for rehabilitation of the bridge girders and pivot points of the draw bridge.

The rehabilitation maintenance on the girders is scheduled to be completed by Friday, June 12.

## After Hours set tonight

The Hancock County Chamber of Commerce will hold its "After Hours" event tonight, May 28, at the Bay St. Louis area of the Gulf Coast Inn, 250 Highway 90, Bay St. Louis.

The event is sponsored by Quality Inn and is a celebration of the Chamber's 25th anniversary. There will be hors d'oeuvres and refreshments. Admission is two business cards.

Chamber members and guests are invited.

## Judge throws 'book' at grave robber

BY ED LEPOMA

A Justice Court judge handed down a stiff sentence to a Pass Christian woman who pleaded guilty to robbing graves, but it could be a year down the line before she serves any time or pays a fine.

Shirley Gates, 42, of the Vidalia Community of Pass Christian, came before Judge Lee B. Klein Wednesday afternoon and a courtroom of citizens who accused Gates of stealing items off their relatives' gravesites in the Fenton Sand Hill Cemetery off Firetower Road last April.

Gates was represented by attorney Joseph B. Hudson, while Bill Frisbee acted as prosecuting attorney for the

county.

Frisbee informed the judge that Gates agreed to plead guilty to four counts of petty larceny and agreed to make restitution to victims for items not recovered.

Judge Klein explained under the state statute robbing a gravesite and taking items valued under \$250 is considered petty larceny. "In my opinion, it (the law) should be amended to be a felony," said Klein.

Klein said, "I view this as a very serious offense. It has touched people to a core. The items placed on graves carry emotional ties. They are put there lovingly by relatives. There's no justification for removing them. It is not like

she went out and took somebody's bicycle."

Before he issued his ruling, Klein seemed to advise Gates against appealing. "This lower court shows more compassion than Circuit Court," said Klein.

Klein fined Gates \$1,000 on each of the four counts of petty larceny, the maximum allowed under the law. He also sentenced her to jail for six months on each count concurrently. Gates was also ordered to pay restitution to victims.

"I think it's a fair sentence," Klein said, but Gates' attorney, Hudson disagreed.

Hudson said Mrs. Gates offered an apology to victims sitting in the courtroom, but said he planned to file an

appeal to Circuit Court.

"I'm not saying she should not get some kind of punishment but I respectfully disagree with this sentence," said Johnson.

Gates will remain out on \$1,500 bond and must post another appeal bond with Circuit Court.

Klein told witnesses in the courtroom, "It could be six to eight months to a year before Gates is tried either by a Circuit Court judge or by a jury."

The case attracted regional attention after a group of citizens actually videotaped subsequent thefts at Fenton Sand Hill. Relatives had reported the theft of angels, plants and

other items at the cemetery, then set a trap and waited in nearby woods to catch the suspect on camera.

The citizens turned the videotape over to the Hancock County Sheriff's Department, along with the suspect's car tag number and a description of the vehicle.

With that information, Deputy Phil Johnson arrested Gates at her Vidalia Road home without incident on April 25. Johnson also found some of the stolen items in Gate's car and home.

The videotape was not shown at the brief hearing, but was on the table in the courtroom in the event it was needed.

## Board to take second look

## Bay Middle School project bids apparently too high

BY B.R. HAWKINS

Bids opened last Friday for the construction of the new Bay-Waveland Middle School to be located adjacent to Bay High School off Blue Meadow Road were over the District School Board's expectations.

GM&R Construction of Waveland was low bidder at \$8,184,000. Tilley Constructors and Engineers, the only other bidder on the project, bid \$8,540,000.

Superintendent Mike Reed suggested that the bids be taken under advisement until the Board has the opportunity to look at several op-

tions offered by project architect, Chet Allred of Slaughter/Allred/McNabb P.A., of Pascagoula. Allred said that a sizeable portion of money could be saved by relocating the building on higher ground nearer Bay High School.

"By moving the building forward onto higher ground out of the wetlands and by making some adjustments to the interior," Allred said, "the board stands to save approximately \$1,000,000."

Concerns over meeting State Department of Education timelines for implementation of the Tech Prep program, scheduled occupancy of the

building, loss of recreational and practice fields and questions about the board's ability to negotiate changes within legal guidelines were voiced.

The Board moved to bring the matter forward again at a special meeting Monday, June 1 at 6:30 p.m. in the school district's offices at 201 Carroll Avenue.

In other matters, the Board accepted a bid from Standard Roofing South of Montgomery, Ala. for the roofing of Bay High School. Standard Roofing South's bid of \$274,000 was the lowest of three bidders on the project.

## Cooperation by FBI, sheriffs lead to arrests

BY B.R. HAWKINS

Patricia Ann Buckley, 23, of 105 Clarence Drive in Orange Grove was arrested Tuesday on charges of abuse of a vulnerable adult. The charges, according to Capt. George Burleson of the Hancock County Sheriff's Department, stem from an incident in 1996 at an area nursing home.

Buckley is being held in the Hancock County Jail under

\$25,000 bond, Burleson said.

In another matter, cooperative efforts with the FBI, Hancock County Sheriff's Department arrested Lillian P. Raines, 58, and her son, Kenneth J. Raines, 35, of Hwy. 603 on felony warrants from Oregon County, Mo. The Sheriff's Department followed up on a lead that the two, wanted by the FBI for the past three years, were working construc-

tion in the area.

No local charges were made, and the two suspects are awaiting transfer to Missouri.

Jeremy Jason King, 20, of 198 Audares Blvd., Bay St. Louis, was arrested Sunday for violation of probation for carrying a concealed weapon. Burleson reported that King had been convicted on two counts of

## Drainage improvements

Construction crews working for the state Department of Transportation are installing a new and larger drainage culvert crossing Highway 90 at Second Street in Bay St. Louis to bolster the city's comprehensive drainage improvement project. Tri-Star, MDOT's contractor, is also currently installing drainage under U. S. 90 at the intersections of Highway 90, Ulman, Dunbar, Genin and Service Road causing a detour of traffic. The new line will help drain Ulman, Carroll and Genin, as well as the service road. Drainage work on Beach Boulevard near Whispering Pine and Acadian Bay Lane in Waveland is also causing traffic to detour. (Echo staff photo by Ed Lepoma)

## St. Augustine celebrates 75th

BY BETSY GAGNET

Seventy-five years ago St. Augustine Seminary in Bay St. Louis opened its doors as the only Seminary where African-American men could train for the Priesthood and the Brotherhood.

On Sunday, May 31, St. Augustine will begin a year long celebration of its 75th anniversary with a Mass of Thanksgiving celebrated by Bishop Joseph Lawson Howze of the Catholic Diocese of Biloxi.

The day also marks the Feast of Pentecost which celebrates the coming of the Holy Spirit on the apostles and disciples of Jesus.

"The reason Pentecost Sunday was chosen is because this is the year of the Holy Spirit," explained St. Augustine Rector Fr. Mike Sucharski, S.V.D. "It is also the closest day to the

(May 23, 1934) anniversary of the first four black priests to be ordained in this country."

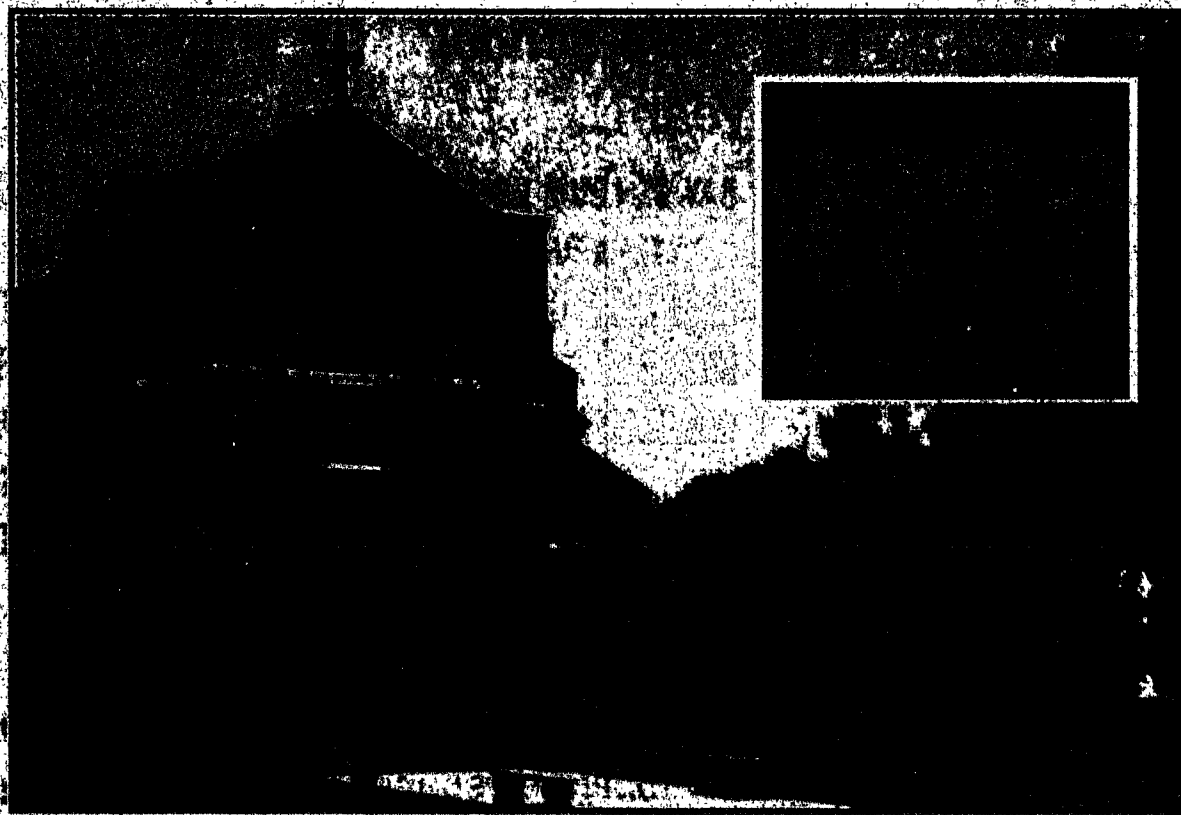

Run by Divine Word Missionaries, St. Augustine Seminary was founded by Fr. James Wendel, S.V.D. and Fr. Matthew Christmann, S.V.D., who realized the need for African-American men in the Priesthood and Brotherhood.

"Until 1962, this was the only institution to train primarily African-American priests," Fr. Sucharski said. "We had a policy and still have a policy that if blacks couldn't go, we couldn't go."

Over 40 percent of the Catholic African-American Priests and Brothers were trained at St. Augustine, said Fr. Bob Kelly, S.V.D., Director of Public Relations.

More than 100 priests were

### Groundbreaking set today for Marina

A groundbreaking ceremony will be held at 11 a.m. this morning, (Thursday), for the Hancock County Marina, Pleasure Street, Lakeshore.

The new Hancock County Board of Supervisor's marina is located on Pleasure Street at Bayou Caddy, off Lakeshore Road.

### Victim unidentified

Hancock County Coroner Norma Stiglet says she has been unable to identify an accident victim found April 8 along the eastbound lanes of Interstate 10, not far from the Mississippi Welcome Center.

Stiglet said the woman had no teeth or dentures, making identification by fingerprints and other lab tests difficult.

The woman is described as 5-foot-3, weighs about 130 pounds, has long, wavy reddish brown hair with a touch of gray. She was wearing a pair of "Bongo" blue jeans, a black Spalding-Activewear, hooded sweatshirt with "Florida" on the front and blue velvet slippers.

Anybody with information is asked to call Stiglet at the Sheriff's Office at 467-5101.

Stiglet said if the woman is not identified by Friday, she will ask Chancery Court Clerk Tim Kellar this week to declare the woman a pauper, so she can bury her.

Survivors include three brothers, Pete Farve, Dennis Farve, John Farve, all of Bay St. Louis.

Visitation will be today, 9 a.m. until the funeral service at St. Rose de Lima Catholic Church in Bay St. Louis. Mass will be celebrated at 11 a.m. at the church. Burial will follow in St. Mary Cemetery in Bay St. Louis.

## Girls State returns to USM for 13th session

Gov. Kirk Fordice will headline the Magnolia Girls State Convention June 6-12 as nearly 500 high school seniors convene on the University of Southern Mississippi campus.

The session marks the 51st year for the American Legion Auxiliary-sponsored Girls State and the 13th year it has been held at Southern Miss.

The governor is scheduled to address delegates during the third day of activities Monday, June 8, starting at 1:30 p.m. in USM's Bennett Auditorium. He also addressed the group last year.

Lou Wilkerson of Bay St. Louis, state director for Girls State, hopes the tradition continues for this year's delegates — meeting life-long friends, becoming informed and involved in the political process, and becoming better informed citizens.

"We hope that when they are old enough to vote, they will be encouraged to do so as adults," said Wilkerson, who is in her fifth year as Girls State director for the state's 99 auxiliary units.

"We have former delegates all across the country, many of whom have run for office and who participate in the day-to-day operations of government. We know that informed citizens are good citizens."

Girls State is set up like a mythical state, with the name "Magnolia," which includes 16

"cities" and five "counties."

Each USM residence hall floor the girls occupy serves as one of the cities, with mock mayoral and council elections taking place along with the other activities that mirror actual operations of a city.

Mock statewide elections are held to select a governor, lieutenant governor, secretary of state, attorney general, state treasurer, state auditor, insurance commissioner and agriculture commissioner.

Girls State delegates will elect senators and representatives for their fictitious state. Two of the girls also will be selected as U.S. senators, representing Mississippi later in the year at the Girls Nation session in Washington.

Some "real-life" officials will be on hand to clue the girls in on what their jobs entail, including Fordice. Others on this year's agenda are Gulfport Mayor Bob Short; Bay St. Louis City Councilwoman Colleen Moran; Steve Guyton, special assistant to Rep. Mike Parker; and retired Mississippi Safety Highway Patrol ambassador Pete Collins.

The national president of American Legion Auxiliary, Barbara Kranig of Wisconsin, also is scheduled to address delegates on Monday afternoon.

## Computer day camps for kids set at USMGC

Computer day camps designed for youths in grades 4-7 will be offered this summer in Long Beach through the University of Southern Mississippi Gulf Coast's Division of Continuing Education.

The line-up includes computer art, age-level appropriate math, computer-aided reading and writing skills, word-processing, spreadsheets, data base and keyboarding.

"Camp I — Basic Computer Skills" will be taught 8 a.m.-noon July 6-10.

## "CUEVAS" QUOTES

By Ellis C. Cuevas

On Tuesday I had a brief chat with Hancock County Fire Marshal Richard Pate, who was concerned about the number of fires in the county.

Just this past week Pate issued a burning ban in the county until further notice.

Even if it rains by the time you receive your copy of The Echo, it has been some 30 days since we have had any rain.

This means our woods are very subject to forest fires, and it will not take much for a fire to get out of control. All residents should observe the no-burn ban until it is lifted by the fire marshal.

There are serious fines for person found guilty of causing wild fires.

A big celebration will be held tonight at the Hancock County Chamber of Commerce *Business After Hours*.

It will mark the 30th anniversary by its sponsors, Quality Home Health Care of the Gulf Coast, Inc.

The hours are 5 to 7 p.m. and will be at 250 Highway 90 Service Road off Seminary Drive, Bay St. Louis.

There will be refreshments, hors d'oeuvres and door prizes. Admission is two business cards.

Chamber members and guests are all invited.

This morning (Thursday), at 11, the Hancock County Board of Supervisors will be hosting a groundbreaking for a County Marina off Bayou Caddy.

The marina to be will be located on Pleasure Street off Lakeshore Road, about one-half mile from Beach Boulevard.

This long-planned marina has been delayed because of costs, and it is good to see it getting off the ground.

This will be a much needed facility in our southwestern portion of the county.

It is hoped there will be a big turnout for the groundbreaking.

## Operation Lifesaver offers summer tips

As school doors close and summer vacations begin, Mississippi Operation Lifesaver is stressing the importance of safe and responsible behavior on and around railroad property.

Through *Education, Engineering and Enforcement* great strides have been made to improve Mississippi's statistics with regards to collisions at rail grade crossings; however, the goal is "zero incidents."

Mississippi Operation Lifesaver, Inc. is a non-profit public information program dedicated to reducing collisions, injuries and fatalities at highway-rail grade crossings and on railroad rights-of-way.

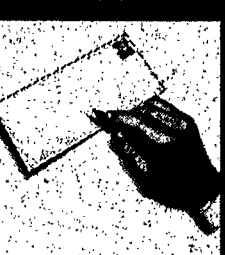

Throughout the year, over 30 certified presenters and three trainers work to educate children and adults, school bus and other professional drivers, law enforcement officers and emergency responders and many others about the potential dangers of trespassing on private railroad property.

To prevent the often tragic consequences that can result, Mississippi Operation Lifesaver, Inc. offers Mississippians the following important safety tips:

- Never race a train to a crossing. If it's a tie, you lose!
- Never go around lowered gates. It is illegal and they are there for your safety.
- Never walk, run, or play on or around railroad tracks or property. Not only is trespassing on railroad property dangerous, it is also illegal.
- Always expect a train at any time from either direction. Most trains do not run on a fixed schedule. Use caution at highway-rail crossings at all times.
- Look for a second train coming from the opposite direction. If there are two or more sets of tracks, one train could be blocking your view. Be sure all tracks are clear before you proceed.
- Never stop on the tracks. If your vehicle stalls on the tracks and you cannot restart it quickly, get out of your vehicle!

For information or to arrange a rail safety presentation, call Mississippi Operation Lifesaver, Inc. at 601-582-5222 or fax 601-582-0009.

## LETTERS TO THE EDITOR

### Waveland resident concerned about rate of sand beach loss

To the Editor:

In your July 31, 1997 issue, the Sea Coast Echo highlighted the status of beach erosion at the Oak Boulevard pier in Waveland.

I would like to provide you and your readers with an update from 1997 to 1998—22 additional feet of beach have disappeared while in four years the "1994 beach" has shrunk by 87 feet—an alarming loss rate of 22 feet 9 inches per year.

Presently there is only 160 feet of a vanishing beach remaining at the Oak Blvd. pier.

### Resources available to entrepreneurs

To the Editor:

There are 22.5 million small businesses in the United States. Our economy thrives with the innovation and initiative of America's entrepreneurs. Small businesses create two-thirds of all new jobs.

In addition, 30 percent of the population is considering opening a business. Small business is a big part of the American dream in our communities and throughout the United States.

The SCORE Association (Service Corps of Retired Executives) helps Americans achieve their dreams. More than 12,000 volunteer business counselors provide entrepreneurs and would-be entrepreneurs assistance through business planning and advising sessions.

During Small Business Week June 1-7 SCORE will participate with the Small Business Administration (SBA) top honor small business.

At the Washington D.C. celebration, the SCORE Chapter of the Year will be honored for outstanding service to the small business community as a

result of its successful mentoring, training and community outreach.

In addition, the SBA will honor the Small Business Person of the Year from the 50 states and U.S. territories.

Locally, the Gulf Coast SCORE Chapter 130 provides free business counseling and mentoring to the small business community. SCORE is a business counseling resource that is free to the public.

I hope you feel that Small Business Week is an opportune time to inform people about the many resources available to entrepreneurs, SCORE being just one.

We are requesting that you run the attached news release, "Entrepreneurs Don't Need to Go It Alone" before or during Small Business Week.

Thank you for publishing our news releases in your newspaper and letting other know about our SCORE Chapter 130 activities.

Sincerely,  
LeRoy Lizana, Chair

## DAV condemns taking veterans benefits to fund highways

The American public should be outraged that Congress has voted to rob this nation's sick, disabled and dying veterans to fund pork-barrel highway projects, said Harry R. McDonald Jr., National Commander of the million-member Disabled American Veterans (DAV).

The DAV strongly urged Congress to dump a plan to take \$15.5 billion in veterans benefits to offset huge spending increases for highway projects.

"To even consider taking away veterans benefits, at a time when the nation honors its veterans on Memorial Day, adds personal insult to economic injury. We should be honoring our veterans Memorial Day, not robbing them," Commander McDonald said.

At issue is a provision to take benefits away from America's veterans to offset huge increases in spending called for in the Intermodal Surface Transportation Efficiency Act (ISTEA).

TEA) Congress is about to send to President Clinton for his signature.

Charging that the funding plan unjustly denies earned compensation and medical care for thousands of sick and disabled veterans, Commander McDonald said the U.S. government has a "moral and legal obligation to provide compensation and medical care to veterans suffering from illnesses and disabilities incurred or aggravated as a result of their military service."

"Some in Congress have disavowed that responsibility in a shameless money-raising scheme to offset a huge increase in transportation projects," McDonald said.

"Those in Congress who voted to rob veterans to pay for pork-barrel highway projects will have a lot to answer for on Memorial Day and on Election Day," Commander McDonald said.

Residents of the Fenton Community, east of Kiln, are concerned about sewage being disposed into Bayou LeTerre by a trailer park upstream from their homes. The owner of the trailer park has applied to the Mississippi Natural Resources Permit Board for reissuance of a permit to discharge "treated domestic wastewater" into an unnamed bayou which feeds into Bayou LeTerre. Property owners along the bayou said they didn't know there was a sewage discharge into the bayou until someone brought to their attention, the public notice displayed at the Kiln Post Office.

## IN AND AROUND DIAMONDHEAD

By Margaret Williamson

In case you're wondering, the Diamondhead Country Club program is "right on schedule," announced general manager Jim LeDuc in the May newsletter. He says this is the time when the detail work really begins and the coordination of the minute finishing touches becomes crucial.

The in-house crews are preparing the installation of an irrigation system for the gardens and plantings which will surround the building.

The landscape committee, under the direction of Nancy Yarbrough, are working on the final details and plants and materials.

When completed, hopefully by early fall, the club will be an amenity the whole community will be extremely proud of.

### IT'S COMING UP

The annual meeting, along with the election of officers and directors for the Diamondhead

POA will be Saturday, June 20, 9 a.m.-noon.

Hopfully all proxies have been mailed or brought to the proper place in 45 days before this election.

We're looking forward to peace, harmony and progress in the community that benefits all.

Please have a voice, and vote for the best for Diamondhead's future.

### LEST WE FORGET

Friday, May 8, was the 43rd anniversary of V-E Day — "Victory in Europe," as we have just proudly honored our brave veteran soldiers on Memorial Day.

Let's not forget all those who made V-E Day May 8, 1945 possible.

### BOWLING ANYONE?

Summer leagues are beginning now at Park Ten Lanes for juniors, mixed adults and seniors with group rates avail-

able. Kids under 18 can bowl two games free per day June 1-Aug. 28, Mon.-Fri., 9-4.

There's also Karaoke Friday and Saturday night, Rock-n-Bowl Saturday, 10:30 p.m.-12:30 a.m., Oldies Karaoke Sunday evenings and 50s/60s country. Call 255-9973 for details.

### TWO GREEN THUMBS

Hope everyone has seen the beautiful roses and gardens surrounding the Kate Lobrano House, home of the Hancock County Historical Society on Cue Street in Bay St. Louis.

I've seen Ray and "Junie" Murphy of Diamondhead working real hard to make those gardens grow.

### ANNOUNCEMENT

Vacation Bible School — we have two in Diamondhead. The Diamondhead Baptist Church starts June 8-11, 9-11:30 a.m.,

and the Diamondhead Community Church June 8-10 with registration on June 3, 11 a.m.-noon.

### NOTICE

Gen. Paul Harvey, guest speaker, is welcomed by the Diamondhead Business and Professional Association at the monthly meeting Thursday, May 28, 8 a.m. at Park Ten Lanes.

### SCHOLAR IN OUR MIDST

Bill and Jon Verdon of Diamondhead are proud dad and grandfather of Marcella Verdon, who was awarded scholarships and honors at her graduation from Hancock High School last week.

### THOUGHTS TO SHARE

Blessed is the home where God is at home and where the spirit of Christ rules. Have a great week!

### Wreath placed

Bourgeois-Stieffel-Ray American Legion Post 77 Commander Kenneth Wilkerson and Auxiliary Unit President Pat Lepine place a wreath at the Post Memorial Monday. Guest speaker was Lt. Gregory Cameron, USN, Naval Oceanographic Office, John C. Stennis Space Center. Lt. Cameron gave a brief history of Memorial Day, which began as Decoration Day in 1865, and also told of the Navy's role today in protecting our nation. A dinner followed the Memorial Day service. ## Etiquette workshop for teens planned

The University of Southern Mississippi Gulf Coast campus will offer a summer workshop for teens who would like to acquire savvy manners.

Teenagers ages 13 to 16 will get practical tips for dining in the 1990s, introductions, handshaking, tact and diplomacy through hands-on activities and role-playing in the group.

Lessons will be held 1:30-3:30 p.m. June 8-12.

Instructor Kathy Manifold, a certified etiquette consultant with the Protocol School of Washington, said the goal is for adolescents to be well-prepared for the challenges of the '90s.

Costs including tuition, instructive materials and a reference workbook — are \$95 per participant.

For information or to register, call USM Gulf Park at 865-4508 or 497-5135 (Jackson County).

## Tigers, Hawks battle to 41-41 tie

**BY JOSEPH W. GEX II**  
The Bay High Tigers and the Hancock Hawks ended the spring football season with a 41-41 tie, Saturday, at Joe D. McCullough stadium in Bay St. Louis.

Bay High's Tony Benton opened the game with an electrifying 85 yard kickoff return for a touchdown. Steven Boudro's PAT was good making the score 7-0.

Hancock struggled early on their first possession as quarterback Jason "Burge" was picked off by Boudro on a deflected pass.

The Tigers took over on the Hawk 13 yardline and two plays later Benton ran in for the score from nine yards out at the 10:08 mark of the first quarter. Boudro's PAT was good, making the score 14-0.

The Hawks turned the ball over to the Tigers on their next possession at the Bay High 33. Benton carried the ball three times for 12 yards before Tiger quarterback Ty Barrett was intercepted by Chris Payne who returned the ball to the Tiger 48 yardline.

The Hawks started a drive, highlighted by Burge's 28 yard completion to fullback Lee Shirah. The Hawks eventually turned the ball over on downs to Bay High.

Benton carried the ball for 10 yards and a first down; however, after three straight incompletions by Barrett the Tigers had to punt. Boudro boomed a 50 yard punt but a Hawk player roughed the kicker, giving the Tigers new life and an automatic first down.

The Tigers were not able to capitalize on the second chance, committing two 15-yard penalties and were forced to punt again. Boudro, again, nailed a big punt for the Tigers that went 65 yards down to the Hawk 19 yardline.

Hawk running back Darryl Williams was thrown for an eight-yard loss on the first play of the drive by Willie Whavers. On the next play, Williams made up for the loss going 89 yards for the score at the 5:55 mark of the second quarter.

Josh Whitfield's PAT was good making the score 14-7.

Whavers took the Hawk kickoff and bullied his way 85 yards for a touchdown but the score was brought back by a clipping penalty on the return.

The Tigers started from the Hawk 39 yardline. Aaron Frommeyer ran for 11 yards and a Tiger first down. Benton followed that with a 26 yard gain and another first down. Barrett scored on the next play from two yards out on a keeper at the 4:45 mark of the second quarter. Boudro nailed the PAT and made the score 21-7.

Williams took the Tiger kickoff and brought the ball out to the 34 yardline. Chris Goff took the opening play of the drive 66 yards for the score at the 4:33 mark of the second quarter. Whitfield made good on the PAT and the score was 21-14.

The Tigers pounded out some short yards on their next drive but turned the ball over on downs to the Hawks.

Hancock took over on their own 47 yardline. Whitfield came in to quarterback the Hawks and hit David Seal for 22 yards and a first down.

Williams gained another first down on a 16 yard gain. Whitfield hit Gabe Cranmer three plays later for an 18 yard scoring strike with :06 left in the first half. Whitfield's PAT was good and made the score 21-21 at the half.

Hancock opened the second half with the ball but the Hawks were unable to move the chains. Hancock punted away to the Tigers.

Benton opened Bay High's first possession of the second half with a five yard run. Next, Barrett dropped back and hit Ronald Brown for a 53 yard score with 8:44 left in the third quarter. Boudro's PAT was good and the score was 28-21.

Hancock took the kickoff out to the 27 yardline after the score. The Hawk offense stalled and had to punt away to the Tigers.

Ronald Brown opened the second drive for the Tigers with a first down on a 12 yard gain. Benton followed that with a 65

yard gain and another first down for Bay High. But, the Tigers got backed up on their next two plays as they lost a total of 11 yards.

Bay High tried a fake field goal when Barrett threw a pass to Benton for 10 yards but it wasn't enough for the first down, as the Tigers turned the ball over on downs.

Burge was back in as the Hawk field general and gained a first down for Hancock with a 13 yard gain before time ran out in the third quarter.

Whitfield came in for the Hawks to start the fourth quarter and hit Cranmer for a 63 yard touchdown with 11:02 left in the game. Whitfield's PAT was good and made the score 28-28.

Benton fumbled on the second play of the Tiger drive and the ball was recovered by the Hawks.

It took Hancock just three plays to hit paydirt, again. Goff took the ball 18 yards for a first down on the opening play. Payne rushed first for six yards and followed that with an 11 yard score at the 9:36 mark of the fourth quarter.

Bay High was charged twice with roughing the kicker on the PAT attempt. The PAT by Whitfield was good on the third try making the score 35-28.

However, the Tigers wasted no time getting back in the endzone. After a first down run by Frommeyer, Barrett connected with Brown for a 26 yard gain. Benton followed that with a 38 yard scoring run at the 7:54 mark of the fourth quarter.

Boudro's PAT attempt was blocked leaving the score at 35-34.

Williams reversed the field on the first play of the next drive for the Hawks and gained 11 yards and a first down.

He followed that run with a 21 yard gain. Goff broke loose on the fourth play for 28 yards and another Hawk first down. Williams finished off the powerful drive by Hancock with a 15 yard scoring run with 5:33 left in the game. Whitfield's PAT was wide left, leaving the score at 41-34.

Bay High took over at their own 45 yardline after a short kick by the Hawks.

Benton rushed for six and eight yards on the first two plays of the drive. Two plays later, Barrett connected with Brown for a 29 yard touchdown pass with 2:38 left in the game.

Boudro's PAT was good and tied the score at 41-41.

Hancock chose to keep the ball on the ground for their final drive. Williams rushed for two, 11, and 12 yards before time expired on the hot and dusty field.

Rocky Gaudin, Hancock head coach, commented, "The game went the way we wanted it to go. We were able to play all of our kids. It is hard to make evaluations in the spring but we were able to see some people in some different positions."

"Bay High did a good job against us today. They played aggressive and hard. Tony Benton had a good game for them."

Coach David Baughman of Bay High stated, "The kids played with a lot of intensity and character. They responded well in the fourth quarter. They could have gotten down but they battled back."

The coaches were impressed with the play of the offensive line, Tony Benton, and Ronald Brown. Defensively, we did not play as well as we should have. But it is tough to contain such a great athlete like Darryl Williams. Hancock came to play and were well-prepared for us."

"Overall, nobody deserved to lose this hard-fought game. It was a very hot and tough four quarters of football. We would have liked to win the game but we were pleased with what we saw."

"We start our summer training program with a team camp at Mississippi State University in a seven-on-seven competition and then lead into our weight training programs. We are looking to have a good fall with a winning season as our first and foremost goal."

Tony Benton led the Tigers with 207 yards on 21 carries and scored twice. Barrett was 5 for 11 for 196 yards and two scores. He tallied one interception.

Williams gained 180 yards on 10 carries and two scores, while Chris Goff had 117 yards on four carries and one score. Whitfield was 4-for-4 and 96 yards and one TD pass.

## Wacky Olympics

Seventh and eighth grade students at Hancock Jr./Sr. High School in Kiln participated in the Wacky Olympics to compete for a team spirit stick. Each class chose a team color and prepared banners and attire using that color to symbolize their class unity. Teams challenged each other in softball-between-the-knees relay races, round-and-round the bat, and other wacky events. This field day was part of the "Color My World" integrated teaching/learning unit in which students used different colors to help making learning fun. For example, language arts classes wrote journal entries about feeling blue; math students developed charts and graphs showing the number of Skittle candy and jelly bean colors in a bag; art classes prepared crayon chip mosaics; and science students made chocolate chip cookies and fudge to learn about scientific mixtures.

## Bay High, Hancock JV game ends in 6-6 tie

**BY JOSEPH W. GEX II**  
The Bay High Tigers junior varsity football team battled the visiting Hancock Hawks in the blistering heat to a 6-6 tie on Saturday, May 23rd, at Joe D. McCullough Stadium.

All the scoring happened in the first half. Bay High hit paydirt when Terrance Thomas ran 60 yards for the score. The PAT attempt failed leaving the Tigers with six points.

Hancock added their touchdown on a one-yard dive from Gary Canoloto. The PAT attempt failed leaving the final score at 6-6.

Bay High threatened with five minutes to go in the game when Hancock forced a fumble and recovered the ball at their own 20-yard line.

With time expired, Eric Hunt picked off a Hawk pass at the 10-yard line to preserve the tie.

## St. Stanislaus All-State soccer team selections

Because of their superior performance in the 1997-98 soccer season, St. Stanislaus senior A. J. Pace and junior Justin Wadsworth have been selected to the Mississippi State Soccer Team. The Mississippi Association of Coaches selected A. J. Pace to be part of the South Mississippi All-Star Team. The team will compete against the North Team July 9-11 at Hinds Community College in Pearl.

Pace, son of Mr. and Mrs. A. Walter Pace of Long Beach, is currently a member of the St. Stanislaus two-time state champion soccer team, Fellowship of Christian Athletes, and Students Against Driving Drunk. He is also an employee at Bailey Lumber.

Pace was recognized as Best Offensive Player at SSC for the 1997-98 season. He plans to continue his soccer career on a

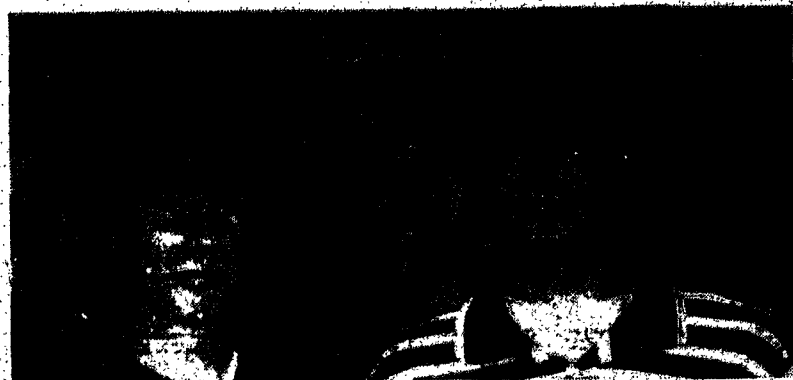

soccer scholarship to Meridian Community College in the fall.

Wadsworth, son of Mr. and Mrs. Emile Manieri Jr. of Bay St. Louis is a member of the St. Stanislaus two-time state champion soccer team, baseball and the Alpha Honor Roll.

He has been named Top High School Performer for soccer by the Clarion-Ledger and has accumulated 62 goals in his career as a Rock-A-Chew.

Wadsworth is also an employee of Little Ray's Restaurant in Waveland.

With a state playoff loss to number one ranked Clinton High School, St. Stanislaus finished the 1998 season with an 18-5 record in Class I-Division 8. Prior to this season, St. Stanislaus finished with two consecutive state championship soccer titles in 1997 and 1996.

### All-State players

## Golf academy offers free event for youngsters

The Arnold Palmer Golf Academy at Casino Magic in Bay St. Louis is sponsoring an event for children ages 17 and under in recognition of National Junior Golf Day Saturday, June 6 at The Bridges Golf Resort.

The event is scheduled 10 a.m.-1 p.m. with a demonstration clinic at 10 a.m. followed by games and competitions for the kids. The competition winners will be awarded prizes, such as hats, golf balls and goody bags.

In addition to the competition prizes, there will be drawings for a set of clubs from the Palmer Golf Company, an autographed photograph of Arnold Palmer and lessons from the Arnold Palmer Golf Academy.

The event itself is free. Lunch will be served on-site at the practice area for \$5 per person. Children must be accompanied by an adult.

National Junior Golf Day is endorsed by the Professional Golfers Association of America. This year's honorary chairman is Davis Love III, winner of the 1997 PGA Championship.

Arnold Palmer Golf Academy instructor Aaron Jacobson believes that golf is a game that anyone at any age can play because it is a sport that challenges each player on an individual basis.

For information, call the Arnold Palmer Golf Academy at (228) 466-8062.

### Soccer scholarship

Mandie French has signed a scholarship to play soccer at Angelo State in Texas. Tom Brown, former coach at William Carey College and of the Coast Chaos professional soccer team, is the coach for the Angelo State Ramblles. French was a standout player for the Bay High School Lady Tigers and also played on the Coast Chaos team. Pictured with French are her mother, Donna Billingsley and Lady Tiger coach Ken Matthew. ## Helmer wins 1998 'Summer Sizzler' at Sun Coast track

Track records were broken in Street Stock, Pro Stock, and the Late Model division Saturday night at Sun Coast Speedway in Pass Christian.

One of the new record holders was Bobby Helmer of Jefferson, La. in the Pro Stock class. Helmer qualified with a 17.31 to establish the record.

This also gave him the pole starting position for the Pro Stock "Summer Sizzler" feature race. Helmer moved to the front on the green flag lap and never looked back as he went flag to flag for his first feature win of the season.

Rodney Bruce was able to challenge for the lead in the early going, but developed mechanical problems and had to retire to the pits.

Gary Joiner picked up the chase but got loose coming out of turn one allowing a couple of cars to move past.

Eddie Willis moved into second followed by Larry Cifra and Ronnie Roberts with only a few laps remaining. Roberts slipped past Cifra to claim the third spot as they crossed the finish line. Cifra and Matt Fortenberry both won heat races.

Chris Moran of Gulfport wasted little time moving from his third row starting position as he moved to the front of the pack in the IMCA feature.

Chuckie Smith, ranked seventh in the nation in the points standings, made his way into the second spot, but was unable to stop Moran from posting the win.

Gary Rever held off Ben Stephens to finish third. Moran and Mark Chamel both won

earlier heat races.

Steve Marsh established a new track record in the Street Stock class with an 18.06 on his qualifying lap. Marsh moved to the front at the start of the feature race, but spun in turn one sending him to the back of the field.

Marsh was unable to recover from his incident. Rodney Barber took advantage of the situation to move to the front on his way to adding another win in this class.

Noah Dasipit and Owen Kosbab chased Barber to the checkers as they finished second and third. Kosbab and Terry Cuevas were heat race winners.

Rickey Hankins of Purvis established the third track record of the night by qualifying his orange number R2 Late Model with a 15.50 lap around the Sun Coast oval.

Hankins then drove his C&S-sponsored machine to the feature win by leading flag to flag in a strong field of Late Models.

Keith Miller claimed a comfortable second place finish over Jamie Luzenberg and heat winner Ray Holifield.

Bubba Schonevitz finished fifth, making his return to racing after being out for several weeks with a hand injury.

The Late Model class also unanimously adopted a tire rule which will take effect June 13. Starting then they will be required to race on Hoosier 55 or McCreary 56 tires.

Jason Beauchamp won the Rookie feature over heat winner Lovell Turan and Murvin Smith.

### Registration for golf fest

Registration for the American Heart Association's 14th Annual Golf Festival of Hancock County is underway until Friday, June 5.

Shotgun starts for tournament, scheduled Monday, June 8 at The Bridges Golf Course at Casino Magic, are set for 8 a.m. and 1 p.m. Check-in time is 7 a.m. to 7:45 a.m. and 11:30 a.m. until noon.

Four-person teams will compete in the annual festival for prizes, including a 1998 Mercury Cougar, cash and gift certi-

ficates. The field is limited to 36 teams in both the morning and afternoon rounds.

"We are hoping for 180 players this year, and we hope to raise \$20,000," said Becky Ginn, regional director of the Gulf Coast Region of the American Heart Association. Last year the festival involved 120 players and raised \$15,000.

For additional information concerning registration contact the American Heart Association, Gulf Coast in Gulfport at 388-6938.

## 'Blast in the Bay' set for Sat., July 18

Lou Johns is the first person to register his classic 1963 Plymouth Belvedere for the first annual Blast in the Bay. The Blast is a street rod and classic car cruise-in to benefit the Hancock County Doll and Toy Fund.

This preview of Cruisin' the Coast will be hosted by the City of Bay St. Louis and the Southern Who Street Rod Association Saturday, July 18 at the historic Bay St. Louis Depot, 9 a.m.-4 p.m.

For over 20 years the Bay St. Louis Fire Department has managed the Doll and Toy Fund to provide holiday assistance to children and families.

The fund is a United Way of South Mississippi agency.

"During 1997 the fund not only assisted family groups but many of our local teachers with special needs for books and other teaching aids that were not a part of their annual budget. We hope to expand on this service with the additional proceeds that will come from the Blast in the Bay," said Fire Chief Robert Gavagnie.

The Southern Who Street Rod Association is helping coordinate the day of activities to benefit the Doll and Toy Fund and their special group, the Bay St. Louis Explorer Troop 2014, who will operate a food and drink concession for the day.

In addition to viewing this great car gathering at the depot, visitors can also enjoy music from Speedo and the Rocket 88's from 1-3 p.m. The local band is a big supporter of car club events coastwide, and Blast organizers are excited by this great addition to the day's venue.

Members of the band include Kenny "Speedo" May, Squeaky Hille, Don Joost, Cheryl Ward, Joe Matherne and James Ward.

Local artist Vicki Lever has designed unique awards that will be presented to car owners in several categories including "People's Choice."

The awards will emphasize how special it is to participate in a Bay St. Louis event and be recognized with a trophy that reflects the unique character of a Place Apart.

"While cruise-ins and car shows are not new events, we are making every effort to provide a quality venue of fun for the car owners and enthusiasts coming to see the event. This is a great, fun way to increase awareness for our Doll and Toy Fund and the benefits to helping children throughout our country when families aren't pressured by meeting their own family needs during the holidays. Bay St. Louis is a very generous community, and we know we can count on their support," said Mayor Eddie Favre.

For information about the event or to reserve vendor space, call Mike Cuevas, director of cultural affairs, 463-7120 or Tammy Garber, Bay St. Louis Fire Department, 467-4736.

THE SEA COAST ECHO—THURSDAY, MAY 28, 1998-9A

## Chevron discovers new natural gas trend in Gulf

Chevron U.S.A. Production Co., a unit of Chevron Corp., has announced the discovery of a significant new natural gas trend offshore Mississippi in the Gulf of Mexico.

The Viosca Knoll Carbonate Trend is exciting and unique to the Gulf of Mexico—in part because of its size, and in part because exploratory drilling has discovered the first offshore natural gas reserves to originate from Lower Cretaceous reservoirs.

These particular geologic aged reservoirs have never before produced in the U.S. Gulf, however, they have been highly productive onshore in Texas, Louisiana and in Mexico.

Peter Robertson, president of Chevron U.S.A. Production Co., explained that the significance of this lies in the probability that there are additional, yet-undiscovered reserves of Lower Cretaceous natural gas in the area.

"We are extremely pleased to have discovered this exciting new trend on the mature shelf, and are tremendously optimistic about its upside potential," said the Chevron executive, who suggested that reserves in Viosca Knoll could measure in excess of one trillion cubic feet (gross trend) of natural gas.

Robertson said that Chevron will continue exploration and development activities in the area in 1998 and 1999 to better determine and fully exploit the reserve potential of the Carbonate Trend.

"Chevron is battling a thousand in this area of the Gulf," said Robertson, who noted that in the past 18 months the company has made four successive discoveries in the four wildcat exploratory wells it has drilled.

Robertson pointed out that through its discoveries over the past four years, Chevron has compiled the largest contiguous leasehold by any single com-

pany in the shallow waters of the U.S. Gulf.

Since 1994, Chevron has made five "new field" discoveries—four within the past 18 months—in the Carbonate trend: one in Mobile Block 991, and the remainder at Viosca Knoll in Block 68, 114, 251, and 252. Combined, these five discoveries have recoverable reserve potential of over 600 billion cubic feet (gross trend) of natural gas.

The wildcat discovery wells have encountered intervals of natural gas ranging in thickness between 35 and 115 feet, a depth of approximately 15,000 feet, from Lower Cretaceous reservoirs in the James Formation. The wells are located about 25 miles south of Pascagoula in water approximately 120 feet deep.

The Viosca Knoll Block 68 discovery well, drilled in June 1997, will be the first of the five

discovery wells to begin production, and is expected to be brought onstream in early May.

Viosca Knoll is contiguous to and lies due south of the giant Norphlet natural gas trend, which is also operated by Chevron and estimated to contain nine trillion cubic feet of natural gas.

Due to its proximity to Norphlet and other offshore production, natural gas from Viosca Knoll could be tied into existing infrastructure, an highly positive economic feature of producing from the new trend.

The discovery well on Mobile Block 991 will be brought onto production in June. Two of the other Viosca Knoll discovery wells (Blocks 114 and 251) will be tested later this year.

Chevron is operator and holds the dominant working interest in 71 leases (350,000 gross acres) in the Carbonate Trend, extending from Northwest to Southwest, with five additional leases yet to be awarded from March 18, 1997, Federal OCS lease sale.

In more than half the leases, Chevron holds a 100 percent working interest; in the remaining leases, the company holds working interests ranging from 50 percent to 80 percent, primarily in partnership with Samedan Oil Corp., a subsidiary of Noble Affiliates, Inc., headquartered in Ardmore, Okla.

## Compretta named associate

Jody Compretta has joined ERA Bayshore Realty as sales associate, according to Herb Dubuisson, member broker of ERA Bayshore Realty.

"By joining a firm which is affiliated with the ERA Real Estate Network, with member brokers in all 50 states, Compretta will be able to offer home buyers and sellers a wide variety of products and services," Dubuisson said.

These include home warranty plans for buyers and sellers; the ERA Sellers Security Plan under which ERA can agree to buy a client's home; relocation counseling; and the ERA on-line internet database displaying color photos and detailed descriptions of over 50,000 ERA home listings for across the country.

Compretta is the son of Mr.

and Mrs. J. P. Compretta. He graduated St. Stanislaus High School and has a bachelor's degree from the University of Mississippi.

After graduating from college he went on to a job in Florida as an account representative and on to branch manager of a medical equipment company.

The ERA Real Estate Network is comprised of franchises of ERA Franchise Systems Inc., based in Parsippany, N.J., which has built its reputation upon being first in service and first in customer satisfaction. Each ERA office is independently owned and operated.

ERA Bayshore Realty, 640 Hwy. 90, Waveland, was founded in 1984 and has 37 sales associates with offices in Hancock and Harrison counties.

Bob Smith

## Smith joins realty firm

Sue Ashman, broker/owner of Ashman-Mollere Realty, Inc., announced Bob Smith recently joined the firm as a sales associate.

He will be involved in residential home sale and rental transaction, primarily in the Diamondhead area.

Smith is a graduate of California State Polytechnic University with BA and MA degrees in education/physical education.

He was a teacher and coach in the California secondary school system for 36 years before retiring in 1991. He obtained his real estate license this past January.

Smith is a member of the American Legion in Waveland and resides in Diamondhead with his wife, Elise, a native of New Orleans.

## Hancock Bank announces new employment manager

Hancock Bank President George Schloegel announced that Shannon Kelly Harpin has joined Hancock Bank as human resources employment manager.

A native of the Mississippi Gulf Coast, Harpin contributes significant human resources, communications, marketing, public relations and management experience to Hancock Bank.

Harpin attended Mississippi Gulf Coast Junior College at Perkinston and received a BA in communications from the University of Southern Mississippi. She also completed post-baccalaureate communication and public relations studies at USM and the United States Sports Academy in Daphne, Ala.

With \$2.7 billion in assets and 80 offices throughout South Mississippi and Louisiana, Hancock Bank—founded in 1899—stands among the strongest, safest financial institutions in the United States, according to Veribanc, Inc.

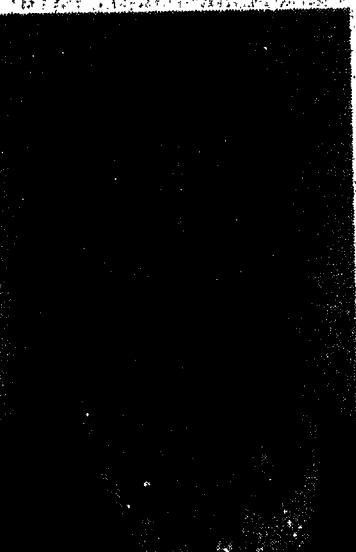

## Advertising workshop

The Hancock County Chamber of Commerce is presenting a series of seminars for area businesses throughout the year. The next seminar will be Thursday, June 18, 1:30-3:30 p.m. in the Chamber's board room at 412 Hwy. 90, Suite 6, Bay St. Louis.

The seminar is on "How To Get More Bang For Your Buck." Instructor will be Jill Scaffide, business analyst at the USM Small Business Development Center in Long Beach.

Fee is \$15 and must be paid in advance due to limited seating. To pre-register, mail check made payable to USM SBDC to USM Small Business Development Center, 136 Beach Park Place, Long Beach, MS 39560.

For information, contact the USM SBDC at 800-4578 or the Hancock County Chamber at 467-4045.

**Good news** for growth investors!

**Capital gains tax relief**

If you invest in growth investments, like stocks or mutual funds, the Taxpayer Relief Act of 1997 could mean more money in your pocket.

The new law reduces the top tax rate on capital gains to 20 percent (from 28 percent) for investments you hold between 18 months and five years. Some investors will benefit from even lower rates.

For information on how you can benefit from the new rates, call or stop by my office today.

## Red Cross concerned about blood inventory

If you know your blood type is O or B negative, hospital patients need you now! The American Red Cross Blood Services, Gulf Coast Region, is experiencing critical shortage of types O negative and B negative.

You can help by donating blood at Bay St. Louis community blood drive Wednesday, June 3, 1-7 p.m. at the American Legion Post 139, Green Meadow Road, Bay St. Louis.

The American Red Cross encourages all eligible donors — especially types O and B — to

donate blood for patients in 72 hospitals throughout the 42 counties served by the Red Cross in Alabama, southeast Mississippi and northwest Florida.

Eligible donors must be at least 17 years old, weigh 110 pounds or more and have not given blood in the past 56 days.

For more information on donating blood, hosting a blood drive or volunteering for the American Red Cross, call 1-888-432-5663 or call the local Red Cross chapter in your community.

## USM clicks with photography courses

The University of Southern Mississippi will offer a Waterfalls Photography Trip June 12-14 to photograph some of the most beautiful waterfalls in the southeastern United States.

Participants will spend a weekend photographing the spectacular DeSoto Falls, Little River Falls, plus several others in northern Alabama. Students will camp at DeSoto State Park where they will choose from chalets, rustic cabins, motel rooms or campsites.

The instructor is Brent Wallace, a Hattiesburg photographer whose work has appeared in *Southern Outdoors*, *Natural History* and *Backpacker*.

Wallace will guide participants to the falls and assist with proper photographic techniques.

The trip fee is \$70 and includes instruction and round-trip transportation. Accommodations are additional. Reservations for lodging must be made by May 29 to guarantee a motel room.

For information or to register, contact USM's Continuing Education at (601) 266-4186.

## Get ready for beach

Children from six to 14 can learn or improve swimming skills by participating in swimming lessons at the Gulf Coast Campus of the University of Southern Mississippi this summer.

Classes are available at every level, from beginners to advanced.

Four week-long sessions will be held, each session 50 minutes in duration: Session I, June 1-12; Session II, June 15-26; Session III, July 6-17, and Session IV, July 20-30.

All classes are co-sponsored by the American Red Cross, and all instructors are American Red Cross water safety instructors.

Cost for each session is \$45. The Pool and Tennis Club on the campus will be open daily until Aug. 7.

Members of the USMGC Pool and Tennis Club receive discount rates on swimming lessons. Membership are paid on an annual basis: \$25 for individuals and \$40 for families.

For information, call (601) 867-8777.

## St. Ann-St. John turkey shoot and barbecue

Burleson said 17-year old Dennis Matt Heffron of 6043

Ben Green Road, Lakeshore has been charged with burglary of a residence. Heffron was stopped at a routine road block by Deputy Barry Hoda Tuesday, May 26. Heffron was driving without a license. According to a Burleson, a female

passenger told an officer that the items in the back of Heffron's car were stolen, and further investigations revealed the property had been taken from a camp on Laterra Drive in the Kiln.

## El Nino blamed for Europa losses

BY ED LEPOMA

El Nino and increased competition is being blamed for a net loss reported for the first quarter of 1998 by Europa Cruises Corp.

The gaming cruise operation based in Madeira Beach, Fla., proposes to develop a gambling resort destination off the south Diamondhead exit of Interstate 10.

For the first quarter of 1998, Europa announced an operating profit of \$39,187 and a net loss of \$15,086 after preferred dividends for the three months ending March 31, 1998. This compares to net income of \$641,567 for the same period in 1997. Earnings before interest, taxes, depreciation and amortization were \$735,045 for the

three months ending March 31, 1998.

The net loss per common share was \$0.001 as compared to net income of \$0.28 per common share for the same period in 1997.

Deborah A. Vitale, Europa's president and chairman of the board, explained last year's first quarter brought excellent weather in Florida and approximately \$133,333 in unanticipated revenues.

"Unfortunately, in the first quarter of 1998, like so many others, we experienced the brutal effects of El Nino," said Vitale.

She explained, "The company operated 504 cruises in the first quarter of 1998, compared to 568 cruises in 1997, a decrease

in 64 cruises or 11 percent. The Company carried only 69,804 passengers in the first quarter of 1998 as compared to 99,197 during the same period in 1997, a decrease of 29,393 passengers or 30 percent."

Vitale said the decrease in passengers is also attributable to new competition in both Ft. Myers and the Miami market.

"The results for the first quarter of 1998 underscore the effect that poor weather, coupled with increased competition can have on operating results," she said. While there's nothing the company can do about the weather, Vitale said steps have been taken to substantially reduce Europa's corporate payroll and other operating expenses.

## Diamondhead P.O. gets postmistress

BY ED LEPOMA

Diamondhead has a new postmistress.

After a six-month search, Bay St. Louis postmaster Jimmy Moore announced that Ann Hiller took over operations of the contract station on Tuesday. Hiller lives in Diamondhead, and also owns the dry

cleaning business next door to the post office at 4391 B Leisure Drive.

Hiller beat out others who bid on the station, and said no changes in operating hours are planned.

The Post Office will remain open from 9:30 a.m. until 4:30

p.m. Mondays through Fridays and from 9:30 a.m. until 12:30 p.m. on Saturdays.

During the six-month bidding and reviewing process, Moore dispatched postal workers from the Bay St. Louis station to man the Diamondhead site.

## USMGC to host music workshop

The University of Southern Mississippi's Gulf Park campus will host the 1998 Silver Burdett Ginn Summer Music Workshop June 17-19.

The university will grant two hours graduate, undergraduate or continuing education unit credit to participants successfully completing the workshop.

Check-in will be June 16, 7-10 p.m. Classes will run 8:30 a.m.-4:30 p.m. each day. Workshop check-in will begin at 8 a.m. June 17.

Workshop staff members are: Gary Arnold, music consultant for Silver Burdett Ginn;

Dr. Hunter March, professor at the University of Texas in Austin;

Bill McCloud, professor and coordinator of the School of Music at Appalachian State University;

Nan McDonald, coordinator of music education at San Diego State University;

Mary Palmer, director of innovative learning at the University of Central Florida;

Dr. Mary Shamrock, professor of music and assistant chair in the Department of Music at California State University; and

Larry Rigby, music teacher at Lee Elementary School;

Applicants are enrolled on a first-come, first-served basis. A non-refundable pre-registration fee of \$25 is required.

Guaranteed placement in the workshop will be confirmed upon receipt of pre-registration. Once applications are processed, detailed information regarding housing and meal plans will be mailed to participants.

For more information, call the Gulf Park Conference Center at (228) 865-4535.

### Celebrates 50th

A surprise party was hosted Saturday, May 9 in the Bay St. Louis Depot to celebrate the 50th wedding anniversary of John and Marguerite Fayard. The event was attended by their two daughters, son, six grandchildren, two great-grandchildren, many other relatives and friends. John Fayard was born and raised in Waveland as were his father and grandfather before him.

## Memorial Day service

Members of the Clement R. Bontemps American Legion Post No. 139 and Auxiliary Unit held Memorial Day services Monday at the gravesite of Clement R. Bontemps in St. Mary Cemetery. Post Adjutant Billy Taylor gave the address with Chaplain Joe Bermond leading the prayer. A Memorial Day service was also held at the Post's Memorial for Post members who died during the past year. A reception followed the two special services. (Echo staff photo by Ellis C. Cuevas)

## 75th — Seminary celebrates

Continued from Page 1A

ordained there and over 40 brothers professed vows, Kelly said.

The first African-American Bishop to be ordained in this country, Bishop Harold R. Perry, was an alumnus of St. Augustine.

Bay St. Louis was not the first home of the seminary which first opened in 1920 in Greenville, MS and was called Sacred Heart College. Because of threats to its existence, in 1923 the Seminary moved to Bay St. Louis which was considered a friendlier environment.

"My understanding of history is that the people of Hancock County, in particular Bay St. Louis and Waveland, really welcomed us," Fr. Sucharski said. "There was always tolerance."

St. Augustine was also one of the first seminaries in the Catholic Church in this country to be integrated.

Today the seminary serves as a retirement residence for Priests and Brothers of the Di-

vine Word Missionaries.

A Retreat Center hosts retreats nearly every weekend, usually with anywhere from 20-50 people, said Fr. Sucharski.

Improvements to the campus are scheduled to begin this fall, and include renovations to the living quarters and restoration of St. Augustine Chapel, where Mass is celebrated every Sunday at 9:00 a.m. Restoration of the grotto is already underway.

Despite the closing of the seminary in 1982, St. Augustine remains a fixture in the community.

Eight of the priests in residence are technically retired, but they continue to serve the community in everything from celebrating Masses at local parishes to conducting missions.

"Retirement means they are not responsible for administration," said Fr. Sucharski.

The year long celebration will bring together many alumni who have ventured throughout

the world.

After 75 years St. Augustine Seminary celebrates not only its own history but what it brought to the Catholic Church.

"It reminded the Catholic Church that to be totally universal everyone had to be part of it," said Fr. Sucharski. "The seminary truly made the Church more universal, more Catholic."

## Spring Break '98 Smoke Alarm Project report

The project, a part of the national initiative Project Impact's Spring Break '98, which is a collaboration between the Federal Emergency Management Agency (FEMA) and the Corporation for National Services (CNS) which administers Ameri-Corp. Project Impact, works with local communities to build disaster resistant communities and reduce the economic and human costs of disasters, said Anthony (Buddy) Pitale, coordinator for the Coast.

"The goal of the project was to place smoke alarms in as many senior citizen and disabled citizen homes as needed. We were able to distribute approximately 500 smoke alarms. Some 52 of these alarms were placed in homebound residences.

A special "smoke alarm for the deaf" will be placed in the home of an elderly deaf couple at the request of a concerned relative.

"Without the generosity of community partners, Lowe's Home Center, Inc., State Farm Insurance Company, Super Wal-Mart, Whitney National Bank, Hancock Bank, Mississippi Power Company and Coast Electric Power Association, we would not have been able to fill the needs of our seniors," Pitale added.

Since the project covered a tri-county area, Hancock, Harrison and Jackson, community volunteers came from a wide range. Each county's fire chief, firemen and county auxiliary firemen took the time to compile the database list by telephone.

The following organizations are to be recognized for the actual distribution of the smoke alarms: Chief James White and the Gulfport Fire Department.

## OLA names valedictorian, salutatorian

Sister M. Donella Hartman, principal of Our Lady Academy, announced the valedictorian and salutatorian of the Class of 1998.

### Valedictorian

Anna Kjellin Greene is the valedictorian of OLA's Class of 1998. Daughter of Elaine Wilkinson of Pass Christian and David Green of Fort Collins, Colo., she is an Alpha Honor Roll student and a member of the National Honor Society and French Honor Society. She was selected as OLA's STAR Student in April.

Greene was honored as valedictorian and STAR Student during the senior awards ceremony May 14. She also received the Presidential Education Award and an OLA Academic Award in Physics.

Selected as a Pepsi Student of the Month for three years, Greene is active in Campus Ministry, serving as the senior class representative on the Campus Ministry Council and a member of the OLA Student Ministry/Senior Retreat Team.

She participated in the South Mississippi AIDS Task Force Walk for Life, the Special Olympics, the Diocese of Biloxi Life Chain, St. Stanislaus Project Do and the OLA Christmas Present Project for Laidner Homes and the Hancock County Foster Children.

Greene was class treasurer during her sophomore and junior years and treasurer of the National Junior Honor Society in her freshman year. She lettered for two years on the varsity swim team.

A member of St. Paul Catholic Church in Pass Christian, Greene plans to attend Clemson University.

### Salutatorian

The salutatorian of OLA's

Class of 1998 is Margaret Jane Harris, daughter of Mary and Michael Harris of Bay St. Louis and a recent recipient of the Eagle of the Cross Award given by the Diocese of Biloxi at the annual Catholic Youth Convention.

Maintaining the Alpha Honor Roll during all four high school years, Harris was honored as an outstanding student by the Hancock County Exchange Club in December and was recently selected as OLA's nominee to the Tandy Technology Scholars Program.

Harris was recognized as Salutatorian and Outstanding Tandy Student at the senior awards ceremony May 14. She also received the Presidential Education Award; OLA's Academic Awards in English IV, Calculus AB, Genetics and Molecular Biology; a service pin for more than 100 hours of service given this past year; and a certificate of academic excellence for having maintained all A's the first three terms of this year.

Named Pepsi Student of the Month for all four years, Harris received the Junior Pepsi Student of the Year Award last year. She is a member of the National Honor Society, the French Honor Society, the Math and Science Team and SADD. She lettered on the varsity swim team for three years and was a delegate to the Youth Legislature for two years.

Harris is president of the OLA Campus Ministry Service Organization and a member of the OLA Student Ministry/Senior Retreat Team. She also held the positions of vice-president and treasurer of the Campus Ministry Council during her junior and sophomore years.

During her four years of high

school, Harris has received service awards for performing many hours of school, church and community service. A member of Our Lady of the Gulf Church, she serves as president of the OLG Catholic Youth Organization. The last two summers, she spent a week serving the needy in Saltillo, Mexico, a mission of the Catholic Diocese of Biloxi. She plans to return to Saltillo this summer.

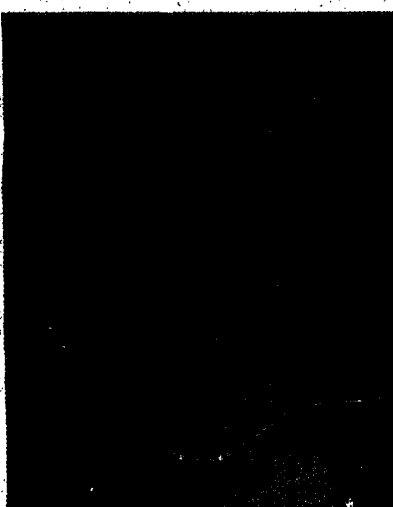

Harris worked at Special Olympics, participated in the SMATF Walk of Life and the Diocesan Life Chain, helped an autistic girl in St. Stanislaus Project Do, visited nursing homes and hospitals, tutored at elementary schools, provided Christmas gifts to children in the Laidner Homes, helped with the OLG St. Vincent de Paul Thanksgiving food drives and assisted the Navy in painting a Waveland home in the Christmas in April project this year.

Harris has been an assistant Red Cross swim instructor for four years. She was a Girl Scout for three years, serving as troop treasurer in the ninth grade. She received the Girl Scout Senior Leadership Award as a freshman and the Senior Girl Scout Gold Award as a sophomore.

As a junior, she was a Hancock Chamber of Commerce student director and attended the Mississippi University for Women's Leadership Conference.

Harris plans to attend Auburn University and major in engineering.

Harris and Greene will deliver their salutatory and valedictory addresses at the OLA commencement exercises Saturday, May 30, 3 p.m. at Our Lady of the Gulf Catholic Church in Bay St. Louis.
